

CVCS DRESS CODE 2026-27 (excerpt from the Student – Parent Handbook)

The collective appearance of the students is an important part of the school's image. Educational studies show that it is a proven fact that neatness and dress are a definite factor in the educational, developmental, and training performances of students.

Failure to comply with the dress code will subject the student to disciplinary action. Parents will be notified of dress code violations. It is not usually the dress guidelines themselves that cause problems for students since most students operate comfortably within them. Problems arise, however, when students and/or parents lack an attitude that accepts discipline and direction from someone other than parents. Parents need to realize that compliance to the school's dress code is not negotiable.

The students' dress and their attitude toward the dress code are primarily a parent responsibility. (Note: Although CVCS does not equate dress with spiritual maturity, the school does maintain that a poor attitude toward the dress code and other policies of the school is a sign of a spiritual problem and a lack of self-discipline.) Parents and students are expected to be responsible for appropriateness of dress. A parent's attitude toward the school's authority will be reflected in the student.

Parents are encouraged to teach their children to live happily and submissively within the guidelines which are set for them. Your support will be transmitted to your children. Please help us to be a proper extension of you as a parent in the developing, training, and educating of your child.

One's outward appearance is a reflection of attitude. Through dress we either draw attention to the LORD or away from HIM. Thus, the policies on the following pages are the dress code for CVCS students.

PRESCHOOL AND KINDERGARTEN

- K3, K4, & K5 students (boys & girls) may wear play clothes, including modest shorts and pants.

GENERAL INFORMATION FOR 1st – 12th

- All clothing worn in class must be purchased through our school uniform program, including all outerwear and jackets. There are no exceptions (other than 1st – 5th grade boys' pants).
- School uniforms are available for purchase through the **FrenchToast.com** website. **The school code is QS5WWMX.** You may also search by school name. Both Boys and Girls options will be shown on the same page. Scroll down to see all options. Some options such as outerwear are for both boys and girls.
- All our shirts will have a school logo. These may only be purchased through our school program.
- All clothing must be worn according to its design. Skirts may not be rolled up at the waist or altered in any way.
- All 6th – 12th boys and girls will need at least one oxford button up shirt (any of the color/sleeve options) for picture day and certain school events. Boys will need a tie to be worn at certain times (tie purchased on your own).
- We plan to offer CVCS apparel that may be worn each Friday and to sporting events. We will communicate when the special Friday apparel will be allowed.
- Please remember to label coats, sweaters, P.E. clothes, and all other personal items brought to school.
- **Students must be in school dress code during school hours, on school property, and at school-related events.** This includes sporting events, both at home and away, and Saturday games.
 - See ATHLETIC EVENTS for an exception that will be made to the dress code for athletic events.

- Students who arrive to school out of dress code will not be allowed to attend class. They will be required to change. Repeated dress code violations will result in demerits.

ORDERING CLOTHING

- We can provide help with sizing as we have most items in stock for sizing purposes. If clothing items do not fit properly when they arrive, returns will be handled through the French Toast company. The school will not be handling orders or returns.
- School uniforms are available for purchase through the **FrenchToast.com** website. **The school code is QS5WWMX.** You may also search by school name. Both Boys and Girls options will be shown on the same page. Scroll down to see all options. Some options such as outerwear are for both boys and girls.
- French Toast will run sales periodically. It would be a good idea to create an account on their site so you will receive notifications of upcoming sales.
- Please order ample items for your student. There are no certain items or colors that must be ordered. It is up to you to choose from our variety of colors and sizes.
- A Facebook group called **CVCS Uniform Swap** has been set up for parents to sell or trade the uniform clothing when their student has outgrown their clothing.

P.E. CLASSES

- Students must be in P.E. dress code during P.E. classes – which consists only of CV P.E. shorts and a CV P.E. shirt.
- P.E. shorts must come to the top of the knee. As the students outgrow their P.E. shorts, new shorts that are of the proper length must be purchased.
- P.E. is required for 7th – 9th grade students.
- Please note that P.E. uniforms are not considered dress code unless the student is in P.E. class. P.E. uniforms may not be worn to school or to the sporting events.
- P.E. uniforms may be required for practices for the various sports teams. The coaches will communicate the appropriate practice dress code to the student athletes.
- P.E. uniforms may also be allowed for field trips or other activities. The teachers will communicate to the students whether the P.E. uniforms will be allowed.
- P.E. uniforms are available in the office for \$10/shirt and \$10/shorts.

ATHLETIC EVENTS

- CVCS apparel (t-shirts, sweatshirts, and hoodies) may be worn at athletic events. The rest of the dress code still applies.
- Student athletes must be in dress code (as specified by the coaches) both before and after the event.

RELAXED DRESS CODE

- On occasion, a relaxed dress code may be permitted. Correspondence will be sent home when a relaxed day is planned. On these days, all students may wear CVCS apparel.
- The CVCS apparel (t-shirts, sweatshirts, and hoodies) will be ordered through the school. We generally place an order for the apparel in the Fall semester. This is a separate order from the school uniform order and is optional.
